relevance of the references so no further relevance is necessary to be pointed out.

Since the International Search Report is in English and the relevant portions of these references are pointed out there in English, and further the US patent and the European and WO references are in English, no further pointing out of relevance is needed.

A PTO-1449 form is presented listing all 6 references being submitted herewith including reference WO 97/31185 disclosed and discussed on page 1+ of the specification. Translations of the foreign language references are not available to the undersigned.

This submission meets the requirements of 37 CFR §1.56, 1.97 and 1.98(a) and MPEP 609.

Respectfully submitted
